1. **KNOW God**: Am I actively listening for the voice of God on a daily basis?
2. **PURSUE Integrity**: Are there areas of ongoing secrecy in my life that I am intentionally hiding from those closest to me?
3. **BE Yourself**: Am I living under the self-imposed pressure of always having to prove something to somebody?
4. **OWN Responsibility**: Do I acknowledge my mistakes or do I project blame and put off solving problems?
5. **EMBRACE Change**: Is my attitude faith-filled and future-focused or am I overly nostalgic of the past and fearful of taking risks in the present?
6. **LOVE Learning**: Am I coasting intellectually or am I applying myself to the disciplines of personal study and reflection?
7. **LIVE Joyfully**: Do I love what I am doing or have I taken the pressures of leadership onto myself?
