

Honor You

Words & Music by
Marcus Jones

Verse 1

Who is like You, Lord? High upon Your throne
Who is like You, God? Mighty to save
Who else can I call when I am all alone?
I will seek You, Lord, and sing Your praise

Chorus

With all I am, In all I do
Lord, I live to worship You
I'm gonna raise my voice to sing for the King of Glory
I want to stand, I want to say,
"Lord, my heart is Yours today"
I want to give my life to honor You

Verse 2

Jesus, speak to me. Make me Yours today
Help me show Your love, mighty to save
Calling on You, God, and following Your way
I will honor You and sing Your praise
