I love that Jesus came to Earth, defeated sin AND death so we may be free! Today, thank God for setting us free from sin and death!

I love that we never have to worry about our current situation because if we are only still and trust God, He will fight for us!

When Jesus came He left us His peace that is unexplainable! We don't have to worry or be afraid of what's to come because God is with us!

Peace

When we spend time with Jesus at church, in our rooms, in the car, and everywhere we go, God will fill us with His overwhelming and unexplainable happiness called joy! Today, ask God to fill you with joy!

Psalms 16:11 15

Jesus is the source of our happiness so today be glad in what the Lord has done for you and thank Him for it!

Jesus can turn our no good, very bad day and all our tears into dancing and into joy!
