Do you truly love Jesus? **3**  
He loves you more than anyone has ever loved you. He gave His life for you. The number one response He is asking of you is to love Him in return. Do you love Him?  
**Matthew 22:37**

Is there anything you love more than Jesus? **4**  
Clothes? Friends? Pets? When you love Jesus wholeheartedly, He will be placed above all. Think about who or what is important.  
**Matthew 22:37**

When you love someone, you talk, listen, & simply hang out together. You can do the same with the Lord. Because you love God, spend time together!  
**Matthew 22:37**

Most people think of themselves first, it's normal. But God's ways are always better than our ways. Think of a way to show honor to your pastor or church leader today! **Romans 12:10**

It's challenging to honor a teacher when they do things that make your life harder. Most students complain or show disrespect. But you can show honor when it's not easy. **Romans 12:10**

## Becoming a Godly Girl

Sometimes siblings can be the last person you want to honor because of the way they act or the way they treat you. But God says to honor others—even family. Write your sibling a happy note!  
**Romans 12:10**

Being devoted to honoring someone means to show honor no matter what you feel. All people are made by God no matter the body, skin color, or special needs. Offer a smile to all!  
**Romans 12:10**

You can show honor to older people by allowing them to go ahead of you in line, sharing your life, listening to them, or praying with them.  
**Romans 12:10**

When you honor others, you will feel His peace & joy in your heart. God's ways bring you joy!  
**Romans 12:10**

As you honor people, your strength will come from God. When Jesus died for people, He showed the ultimate honor so it can be shared with others. Show your family honor today! **Romans 12:10**

## Becoming a Godly Girl

As you have been honoring others, it is also God's heart that you value yourself. He made you! It doesn't matter if you don't look or act like the world wants  
**Ephesians 2:10**

If you value yourself, does this mean you are prideful? No. Respecting who God made you means you are honoring His creation.  
**Ephesians 2:10**

When you value yourself, you will take care of yourself. Be the best you can be! In what ways could you improve how you care for your body? Your mind? Your heart?  
**Ephesians 2:10**

When you value yourself, it will change how you think. Your thoughts can go through the filter of knowing you are worth more than anyone may ever tell you.  
**Ephesians 2:10**

How can you tell others to value themselves as well? Write a note to share the good news. Tell someone in person or make a phone call to tell them they're special.  
**Ephesians 2:10**

## Becoming a Godly Girl

When you value yourself, you will value what you do. God created you to carry out His work on earth. Your influence on the world is extremely important.  
**Ephesians 2:10**

Today isn't an accident. God has plans for you today! Take some time to listen to His voice so you will know what to do.  
**Ephesians 2:10**

Some people say nothing is absolutely true. But according to God, there is truth! He is Truth. That means, everything God is and all He says to do will be right. Do you believe He is Truth?  
**John 17:17**

God says, "We are made right by the truth, and the Bible is truth." And "In the beginning was the Word, and the Word was with God and the Word was God."  
**John 17:17**

Jesus said, "I am the way, the Truth, and the life." Knowing there is only one way of Truth brings comfort, so you don't have to wonder what or who is true. Rest in His ways.  
**John 17:17**
