

VANUATU

Do you know someone who goes to school? Most likely, you do, as well as siblings, neighbors, and cousins, too! Because you know so many people who go to school, it probably feels like this is a normal part of life for children all over the world.

Unfortunately, this is not the case. There are children who will never have the opportunity to go to school because their home is too far away from the closest school. That's why Coins for Kids is raising money for Vanuatu this year: to help missionaries build schools in remote villages to help kids get an education!

When you donate, your spare change will go to building schools, training teachers, and buying books so the children of Vanuatu can learn. Not only will kids learn to read and write, but they will also learn about Jesus through Bible lessons in these schools!

Your Coins for Kids offering will give kids in Vanuatu an opportunity to learn, develop, and know Jesus!

2020 Coins for Kids Project

Join other girls' groups from everywhere and partner with BGMC to make your coins count! Each year girls give to a project or projects that help kids around the world. Together we've helped to make an impact from Romania to Venezuela, from Argentina to China, and beyond!

These are just a few of the ways girls have made a difference for other kids, and this year you can make a life-changing impact for the children of Vanuatu and COMPACT Family Services! Your coins count to reach children in the United States and around the world with the love of Jesus.

Together, let's make our coins count! Just bring your offering to your Girls Ministries leader or donate online at: ngm.ag.org/Missions/Coins-for-Kids.

*Churches who give to Coins for Kids through the national Girls Ministries department will get both BGMC and World Missions giving credit.

COMPACT

What does "home" mean to you? Home is a place where you eat and sleep. It's a place where you can do your homework and play games. Most importantly, though, home is a place where you are loved and cared for by your parents or other adults.

Though you might have experienced all of these in your home, there are children who never have. That's why Coins for Kids is raising money for COMPACT Family Services this year: to allow children to have a safe, fun, and loving place to call home. At COMPACT, this place is called Hillcrest Children's Home where children are given the opportunity to grow up with a loving and caring family!

When you give, your spare change will make a big difference, including covering the cost of repairing buildings; buying toys for special needs kids; and purchasing new children's bedding, clothes, and personal care items.

Your Coins for Kids offering will give kids at Hillcrest Children's Home an opportunity to be a kid and grow up in a safe and loving home!
