2021 Fund-Raiser Packet

Follow us on our adventures as we raise money for Coins for Kids
Welcome

Thank you for choosing to support Coins for Kids!

Coins for Kids is the Girls Ministries arm of BGMC (Boys and Girls Missionary Challenge) and was developed to give girls the opportunity to further develop a heart of compassion through an emphasis on missions. As girls pray for missionaries and as they give money to support projects around the world, our desire is that these same girls will feel the call to go! They may go to their schools, neighborhoods, or family today, but in the future, they may go to a distant land!

This Coins for Kids packet can take your missions experience to a whole new level! The goal is to share details about this year’s projects, but that’s not all! We have provided fun activities, devotions, and fund-raising ideas.

This year we are focusing on two projects, Vanuatu and COMPACT Ministries. Each of these projects is focused on meeting the needs of others, leading them to Jesus, and providing opportunity for children to grow.

With two projects, it is important to understand that we only maintain one project number for Coins for Kids. At the close of the year, all funds will be split between the two projects. Seventy percent will go to Vanuatu and 30 percent will go to COMPACT Family Ministries—Hillcrest Children’s Home.

As you take time this year to focus on missions and Coins for Kids, we want to encourage you to go first! Go first in praying for missionaries, go first in your giving, and go first in reaching out to share the gospel with others. As leaders, we must go first, modeling for our girls what Christ has commanded us to do (Matthew 28:19–20).

Blessings!

Coins for Kids—
Getting Started

This packet is just the beginning! Every year the National Girls Ministries office selects projects to highlight. We provide resources, such as this packet, videos that highlight each project, and additional resources available on our website at ngm.ag.org/CFK. You can select one project to focus on throughout the year, highlight each project for half of the year, or find creative ways to highlight both projects throughout the year.

Each project is geared to children. As you introduce this year’s projects, help your girls make the connection how their involvement with Coins for Kids is making a difference in the lives of girls around the world, just like them!

Make a Plan

Make a plan to introduce this year’s project to your girls. Use any of the available products and resources to allow your girls to get involved right away. Provide each girl with a Coins for Kids Promo Card1 and play the promotion video during your time together.

Set a Goal

Challenge the girls to set a goal to give for the year! Provide time for your girls to pray and ask God what He would have them do in response to the need presented with the 2021 projects. You might be surprised what they will give! Use the Faith Promise Cards2 and the Coins for Kids Goal Coloring Page for girls to write out their goal. Remember, these are amounts that will exercise their faith in giving, not just what they have to give.

Get Started

Provide each girl with a Coins for Kids Offering Box. Set aside a time each week, month, or quarter to collect the CFK boxes from your girls. As your girls begin to give, celebrate with them by presenting each girl with a Coins for Kids Giving Certificate. Girls can customize their Coins for Kids Offering Box with project-themed labels available on our website.

1 Bold indicates products are available for order at MyHealthyChurch.com. Additional products are highlighted on page 21.

2 Italic items are available for download at ngm.ag.org/CFK.
Keep Going

Don’t stop now! Plan for regular times throughout the year to highlight the 2021 missions projects, engage your girls in missions-focused activities, remind girls of their giving goals, and collect their missions offering. Use this packet to be a guide throughout the year to keep missions as an active part of your ministry to girls.

Nationwide Event

Every September, National Girls Ministries hosts a Nationwide Event on the third weekend. During this event we encourage leaders to challenge their girls to bring an offering for Coins for Kids. The event is created with a focus on Coins for Kids and our annual project.

Send it In

Send in the funds that you have collected for Coins for Kids to the National Office. Send it in the mail by filling out the Designated Offering Form (see page 21) or submit the funds online by going to www.giving.ag.org and searching for “Coins for Kids.” Be sure to submit offerings by December 31, 2021. Anything submitted after that will automatically be applied to next year’s project.

Celebrate!

Once the totals are tallied from the giving year, share it with your girls and celebrate in a big way! Thank them for the difference that they are making in the lives of girls across the world.
Vanuatu Feature

Vanuatu is an island nation in the southern Pacific Ocean, near New Zealand and Fiji. Its people, called Ni-Vanuatu, live on about 65 of the 80 islands that make up this country. Vanuatu is a country of contrasts—from the towering volcanoes to the miles of uninhabited coastlines, and from the bustling capital city of Port-Vila to the remote, traditional culture villages scattered on the islands. Here are some more facts about Vanuatu:

**GENERAL FACTS**

**Population**: 288,000. More than half live on the three largest islands, Efate, Espiritu Santo, and Malakula.

**Currency**: 1 U.S. Dollar = 115 Vatu

**Weather**: Vanuatu’s climate is hot and rainy most of the year, with a cooler, dryer season from May to September. December to April is the cyclone season, when heavy storms sometimes hit the islands.

**Food**: Staple foods that are native to Vanuatu include yams, taro, banana, pineapple, coconut, tropical nuts, and seafood.

**Religions**: Most people claim to be Christians and are part of Protestant churches (70%) or Catholic churches (12.4%). Some follow “cargo cults,” believing ships will one day bring them goods and blessings. Many believe they must please the spirits of their ancestors.

**Languages**: Bislama, English, and French are all official languages. About 120 local languages are spoken. Bislama is an English-based language and is the urban or trade language of the island. The spelling uses English tones and phonetics, making it simpler to learn. Here are a few simple words and phrases girls can practice:

- **Hello, how are you?**: Halo, olsem wanem?
- **Nice to meet you**: Gud mitim yu
- **Thank you**: Tangkyu tumas
- **I love Jesus**: Me luvem Jises

**The Land**: Vanuatu is made up of four main islands and more than 80 smaller ones. People live on about 65 of the islands. If you pushed them all together, the land would be the size of the state of Connecticut. The islands are mountainous, with some active volcanoes. Rain forests cover about a third of the land.

MEET THE MISSIONARIES

Coins for Kids is partnering with missionaries Nathan and Jennifer Thomas to spread the gospel through education in Vanuatu. In 2011, Nathan and Jennifer started the first Christian school in the Jubilee farm community.

Since then, they have begun the first school in the village of Woysayolo, where four teachers came from surrounding villages to train. The Thomases hope is to start multiple kindergarten programs in the rural areas and then grow them over time to include all grades.

With the help of Coins for Kids, Nathan and Jennifer will start additional Christian schools, as well as adult literacy and teacher training programs across the country.

Project and Prayer Focus

Nathan and Jennifer have five main goals to reach the people of Vanuatu. Highlight these as a prayer focus for this project:

1. Recruiting Teachers

   It is important to find Spirit-filled Christians called to work in locally established Christian schools.

2. Training Teachers

   A six-week seminar will be established to provide additional training to teachers who are already educated. This will be workshops training local teachers how to use a standard curriculum as well as practical application in a school.

3. Scouting Out Possible Sites for Christian Schools

   A. Unchurched villages (in an attempt to use the school to bring the gospel to that community with the eventual goal of establishing a church)

   B. Partner with existing churches by using the newly established schools to educate the local youth and provide further discipleship in their community

4. Establishing Schools

   The goal is to provide what is needed to see a school from concept to final establishment, including funding, building supplies, curriculum, and furnishings.
5. Adult Literacy

A need exists for reading classes for adults who have never had the chance to learn to read.

Giving Matters—Big or Small

The need is great in Vanuatu and every dollar matters to make an eternal difference in the churches and schools there. Use this simple list of tangible items to know what school products will be bought with your donations.

- **Shoes:** $5
- **Uniform shirt:** $10
- **School backpack:** $15
- **Soccer ball:** $20
- **Curriculum for one child for one year:** $25
- **School desks:** $50
- **Locally made school tables:** $100
- **Curriculum for a whole grade level:** $500

Join us in raising money for Coins for Kids this year and see what God will do to accomplish His will in Vanuatu!

ACTIVITY | MAKE A SALU-SALU

One of the ways that girls honor their teachers, leaders, and guests is by making them a salu-salu, similar to a Hawaiian lei, of flowers, tropical leaves, or colorful seashells.

**Items Needed**

- String, long enough for a necklace
- Flower petals with a hole in the center of each (paper cut-out, artificial, or real)
- Beads or seashells

**Instructions**

Have girls thread the string through the hole in the center of each flower and/or bead to make the tropical necklace. Tie the two ends to complete the job! Girls can keep the salu-salu for themselves or give it to a parent, teacher, or leader as a way to honor them and tell them what the girls have learned about Vanuatu.
Compact Feature

COMPACT Family Services, short for COMPassion in ACTion, is a Christ-centered ministry to redeem vulnerable children and families through compassionate action to the glory of God. Since 1944 and the start of Hillcrest Children’s Home, this ministry has impacted thousands of children and families through the growing services they provide and by sharing the love of Jesus. Located in Hot Springs, Arkansas, COMPACT serves the vulnerable right here in our own backyard!

GENERAL FACTS

Campus: COMPACT covers a 52-acre campus, with eight cottages and twenty-four apartment centers.

Lifetime Impact: More than 9,000 children and youth have received Christ-centered love and care through this ministry. More than 3,000 children have been adopted.

Complete Services: Hillcrest Children’s Home, Maternity Home, foster care, and more.

HILLCREST CHILDREN’S HOME

Home is a simple thing that many of us can take for granted. The fact that this wasn’t a reality for many children right here in the United States, stirred a desire in the heart of Gladys Hinson to do something about it. In 1944, Hillcrest Children’s Home became that home where orphaned and abandoned children, between the ages of 5 and 18, could live in a safe, Christ-centered atmosphere.

At Hillcrest, children live in cottages with assigned houseparents. The cottages are similar to a normal house, but have a larger number of rooms for the girls and boys who live there. A living room and dining room are the perfect common spaces for homework and hanging out with this large family!

Not only do the boys and girls have a great place to sleep and eat, but they also have many fun activities to do all year around! The Hillcrest campus also includes a playground, basketball court, swimming pool, and pond for fishing for activities in the summertime. In the colder months, they can also enjoy watching movies and going roller skating in the gym.

Learn more about COMPACT Family Services by following them on Facebook at COMPACT Family Services and going to https://compact.family/

MEET THE DIRECTOR

Jay Mooney became the executive director of COMPACT Family Services in 2012. Jay and his wife, Laura, strive to do more than just provide a temporary home for these kids, but to find permanent homes for them through adoption, foster care, or transitional living. Adoption is at the heart of God, for all Christians have been adopted as His sons and daughters. With the help of Coins for Kids, we can make this dream into a reality.

Project and Prayer Focus

Coins for Kids is partnering with COMPACT to help with a few very special projects! Learn how your Coins for Kids giving will make a big impact. Also, use these projects to know how to pray for COMPACT.

1. Materials for Special Needs Children

With the Coins for Kids giving, we will be helping children with autism get the help they need during their time at Hillcrest. We will provide the types of custom furniture, sensory toys, and supplies they need to grow and be successful in life.

2. Repairs

The campus never stops running and over time, this has caused a lot of wear-and-tear from the harsh winters and the summer heat. The funds raised by Coins for Kids will also go toward some necessary building and property repairs on the Hillcrest campus.

3. Supplies

Big families require large amounts of supplies to be cared for day to day. Funds will also be used to buy new toys, bedding, and personal care items for the children.
Giving Matters—Big or Small

The need is great at Hillcrest Children’s Home and every dollar matters to make an eternal difference in the children there. Use this simple list of tangible items to know what will be bought with your donations.

**Promise Pack—$50**
(pillowcase, flashlight, and Fire Bible for Kids for every new child on our campus)

**Toys for children with autism—$100**

**Clothing for a child—$300**

**Birthday gift card—$25**

**Send a child to camp—$150**

**Sponsor a cottage—$600**
(12 months x $50)

**ACTIVITY: MAKE A SENSORY WATER BOTTLE!**

COMPACT Ministries provides a special house for kids with autism. They have all kinds of sensory-friendly items to help kids feel comfortable. Make a bottle of your own.

**Items Needed**
- Empty water bottle
- Water
- Vegetable oil
- Food coloring

**Instructions**
1. Fill the bottle halfway with water.
2. Add a few drops of your favorite food coloring.
3. Put the cap on the bottle and shake it to mix in the color.
4. Remove the cap and add vegetable oil to fill the bottle.
5. Put the cap back on and you have your very own sensory water bottle!
Compassion: Love in Action!

(Matthew 14:14)

Have you ever been excited to give a friend a birthday present? Or have you ever gotten giddy when one of your parents opened up a Christmas present that you had gotten for them? Was it hard for you to give those things to them? Probably not. Why? Because you love them!

It's so much easier to do things for people we love. You know, when we come to know Jesus, He fills us with His love and then He gives us love for others. Then that love can turn into compassion, which is love in action. Compassion moves us to action to give and bless others! Jesus was even moved with compassion for others when He was here on the earth! The Bible says that when, “Jesus...saw a large crowd, he had compassion on them and healed their sick” (Matthew 14:14, NIV).

Have you ever been sad when you saw someone who was sick, poor, or in need? Did you ever want to do something to help them? Well, that's compassion!

So, why do we give to missions? Because we love God, and when we love God, He puts in us a heart of compassion for the people that we’re giving to. That’s why we give—it’s because of the compassion that God gives us, which is love in action.

I remember when I was about 10 years old and God was prompting my heart to give my .25 cents to BGMC. When God asked me to do that, I was very sad, because I was saving up to buy a toy at the store later that week. But because I loved God and I loved people, I gave. But you know what? Those .25 cents blessed a missionary more than that toy would’ve blessed me.

God gives us compassion so that you can show love in action and give to others! You can give in so many ways, but here’s just a few:

1) Give of your time: Serve others in your church or community! Maybe see ways you can help your Girls Ministry leader on a Wednesday night!

2) Give of your resources: Put coins into your Coins for Kids offering box! No amount is too small. God can use your coins to touch missionaries around the world!

3) Give of your prayers: Spend time praying for missionaries! Pray that God would strengthen their hearts as they serve on the mission field.

Pick one of the ways you can use the compassion that God places in your heart and give! God wants to use you today
Missions Devotional

Praying Around the World

(Matthew 18:19)

Have you ever gone on a long trip or summer camp and gotten really homesick? Maybe you missed your parents or a pet or sleeping in your own bed. But then you got a phone call from your parents or a sibling and it made you remember that someone at home was thinking about you, that they cared about you, and suddenly you didn’t feel so lonely or out of place.

Missionaries have an exciting life of travel and serving God in a special way in a particular country, area, specific ministry or people group. They use their talents for God and they share about Jesus to people who may never have heard about God’s Son. All of that is exciting, but do you think they may get lonely or miss their families?

We become partners with our missionaries when we pray for them! We’d love to go to a foreign city and share the gospel but right now we can still be part of the mission work by PRAYING!

How can we pray for our missionaries and their families? (Health, safety, their children, school, enough money and food, people to receive them)

A Stars Club in Oklahoma enjoyed learning about other countries and collecting prayer cards from visiting Missionaries. One month the missionary focus was a friend of the Star’s Leader so she shared about her friend’s journey as a single woman on a challenging mission field. Unanimously the girls wanted to pray for God to give the missionary a husband! The Stars Leader was a little surprised because she had emphasized how faithful God was to this single missionary and how well she was doing. But they insisted they should pray for her a husband. One girl stated “and we have to pray that God sends her a husband who is nice to her!” They held hands and the girls began to pray one by one, “God please send missionary _____ a husband” and “God, make him nice to her”!

God sent the missionary a husband and yes, he is very nice to her! God answers prayer!

What missionary do you know that needs prayer? Remember to pray for them often. Prayer makes a big difference!

For the Leader: If possible, give each girl a CFK bracelet as a reminder that a missionary is doing God’s work and we can help them by praying for them. Challenge the girls to ask God to show them how to pray and PRAY!
Honoring God in Your Giving

(John 6:9-11)

“Here is a boy with five small barley loaves and two small fish, but how far will they go among so many?… Jesus then took the loaves, gave thanks, and distributed to those who were seated as much as they wanted. He did the same with the fish.” John 6:9,11

Growing up in church, I saw many adults as they would slip their folded up bills into the offering bag and remember putting coins or the occasional dollar bill into the offering myself. I followed the example of those around me, but it was an expected action. As I grew older, I started to see that giving to God was much more than just something I had to do, but it became an opportunity to invite others to follow Jesus. Sometimes it can be hard to give because we want to have money to buy ice cream, the newest toy, or to go to a special event. As I began to hear from missionaries and began to understand my own need for salvation I saw giving to missions differently.

The heart of missions is not about money but the compassion that is easily seen in the life of Jesus where he willingly went to the cross as an act of obedience to His Father God. He realized in those moments that Honoring God’s plan by giving His life would redeem the lives of many.

Giving money to God can make a big difference in the life of both the giver and receiver because when you give to missions you are introducing kids to Jesus around the world. Consider the difference Jesus has made in your life. Now, you have the opportunity to do the same for someone else! In John 6, the disciples were asked by Jesus to feed a crowd of 5,000 people. Though it looked impossible, Jesus had a plan. God used a young boy who willingly gave his own lunch of 5 loaves and 2 fish. Jesus took the little boys lunch and fed the all the people with some leftover, too! When you are willing to honor God in your giving, no matter how much or how little, God will make sure the lives of many will be changed. As you pray for missionaries ask God for creative ways to save money for the missions offering. Salvation marks the beginning of new life and your spiritual birthday. Missionaries celebrate when someone has a spiritual birthday. This year, every time a family member in your household has a birthday, give a birthday offering gift to missions! Ask God now what that amount will be; what amount of money would you love to find in your birthday card? Give that to missions and watch will God will do to “feed” many with the Good News of Jesus Christ!

What difference has being a follower of Jesus made in your life?

What are you willing to do to help people around the world hear about Jesus and have eternal life?
Ready, Set, Go!

(Mark 16:15)

Do you like to play games with your friends? I bet you do! Hide and Seek is a fun one where one person closes her eyes and counts to ten while everyone hides! Then the great announcement, “Ready or not, here I come!” In Genesis 3:9 God is trying to find Adam in the Garden and he says “Adam, where are you?”. Just like in Hide and Seek, Adam is hiding not for fun but because of sin.

God is trying to find each of us because all of us have been lost. This is missions and it is God’s heart. He calls you by your name and asks where you are in hopes that you will ask Him to come into your heart and be your Savior. All around the world God is asking “insert any name, where are you?” That is where you come in. We get to be a part of this great big soul saving miracle! Someone needs to go! Someone needs to tell the lost how to get found! In the book of Romans 10:14 it is explained this way, “How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them?”. This is action. This is you. The Lord tells us in Mark 16:15 to “go into all the world and preach the Gospel to all creation”. That is everyone and that is what you are to do. But how? Can you jump on a plane to another continent? Can you drive across the country right now? If only we could be that lucky! How fun!

So, what can you do to “Go” and “Preach”? If we once again go to the Bible for answers, we find this really cool verse in 1 Corinthians 10:31, that tells us “to do all things for God’s Glory”. That means if we are playing a game with friends, ask them about Jesus. If we help someone with schoolwork, ask them about Jesus. Pray and ask God for opportunities to talk about Jesus with someone. “To go” does not always mean to travel to another part of the world and share the Gospel. It means to share the Gospel with those that are right in your path every day. “To go” means to share your faith. “To go” means to share your heart. “To go” means to share your money or collect for missions so others can go until you can. “To go” means to bless someone else showing the heart of God. God is asking everyone “where are you?” So, are you willing “to go”?

How about another game that is fun to play? This game is about a race. So, are you ready to run this race for Jesus? “Ready!” “Set!” “Go!”
Fund-Raisers

January: Chores for Change

Ask girls to offer to do chores around the house, in the yard, in their neighborhood, or for their relatives. Each child is being encouraged to receive pledges for donations to Coins for Kids from people for a day that they will commit to doing “Chores for Change.”

February: Pie Auction

Plan a pie auction following a designated church service. Weeks in advance, ask church members to bake pies for the scheduled date. Find a volunteer to run the auction – someone who would make a good salesperson. Don’t be surprised if some of the pies go for a hefty amount!

March: March Missions Madness

All month long, Coins for Kids partners with BGMC to share the vision and excitement about missions! The object of this campaign is to get every person in your church looking for lost change (money) for one month in order to reach lost kids around the world.

April: Craft Fair

If your girls enjoy arts and crafts, there’s probably something they can make and sell! Make sure to help them keep track of all their expenses in making an item so you can make sure you are selling it at a profit. You’ll do best with this if you provide products that go with the seasons.

May: Flower Power

Make large paper cutouts of the Coins for Kids logo. Determine how many logos will reach all the way around the walls of the room when taped end to end. Decide on a dollar value for each logo. Multiply by the number of logos to determine what the end result will be when all logos are purchased. Set that as your giving goal. When girls bring their offerings, the amount each brings determines how many Coins for Kids logos she can tape to the wall. When the entire wall is circled, the goal is reached!

June: Water Balloon Blow-Out

Kids (and adults, too!) purchase water balloons to toss at the children’s pastor or other adult leader. Charge $1 for each water balloon and give the money to Coins for Kids.

July: Have Giving Contests

Who can have the heaviest box? Girls start collecting change because change is heavy. Who can have the lightest box with the most money in it? If it’s going to be light but have the most money in it, you’re talking checks or cash.
August: Host a Roll-a-thon
This is a safe, very doable event that is held on the church property, at a park, or somewhere like a school track. A Roll-a-thon differs slightly from a Bike-a-Thon in that kids can participate using any non-motorized, wheeled sporting device—such as bike, skateboard, roller skates, roller blades.

September: Have Coins for Kids Box Decorating Contest
Have girls decorate Coins for Kids boxes and have a contest to see who can make the prettiest box. Line up the decorated boxes and ask people to vote for their favorite box by putting money in it.

October: $31 in 31 Days
Challenge each girl to find 10 people willing to give $10 by October 10th. Ask your girls to make appointments with mom, grandma, neighbors, teachers, Sunday School teachers, even their Girls Ministries leader. With this challenge, each girl will bring in $100! Kids can take donations or do chores to earn the $10 from each person.

November: Pop Out for Missions
Challenge your girls to give up soda pop (or something else) during the month of November. The money that would have been spent on soda pop (or candy or snacks) would then be given to Coins for Kids, which helps needy children around the world.

December: Wrap Christmas Gifts
Set up a table after church and offer to wrap Christmas gifts for a predetermined cost. Let everyone know that all money goes to Coins for Kids.
