

COINS FOR KIDS 2022

Join other girls and partner with BGMC* to make your coins count! Each year girls give to a project that helps kids around the world. Together we've helped to make an impact from Romania to Venezuela, from Argentina to China, and beyond!

When you donate to Coins for Kids 2022, your money goes to help pastors all over the U.S.A. spread the message of Jesus! One in five people (that's a lot!) live outside cities or towns and don't always have access to a big church with lots of outreach programs. There may be only a few students who gather together because of smaller church sizes. That's why these pastors need help to make sure kids everywhere, even way out in the country, get to hear about how much Jesus loves them.

*Churches who give to Coins for Kids through the National Girls Ministries Department will get both BGMC and World Missions giving credit.

Rural America Ministries Network

Over the years, the annual donations from this fundraiser have helped to support communities, churches, and schools all over the world. This year, we're all coming together to support the pastors who are close to home through the Rural America Ministries Network and missionaries Rich and Kim Greenwald. This ministry's goal is to come alongside pastors in rural America and give them what they need to lead their churches and make disciples even in the

smallest and most remote areas of the United States. With the help of Coins for Kids and BGMC, the Greenwald's hope to meet the needs of rural churches so that everyone will hear the Good News of the love of Jesus.

*Churches who give to Coins for Kids through the national Girls Ministries Department will get both BGMC and World Missions giving credit.
