

GLORIA THE GLOW GIRL SKIT

Characters

Gloria the Glow Girl—A superhero of sorts, dressed in very bright colors. Could be dressed in a cape and have a large letter G on the front of her shirt. She is adorned with multiple glow bracelets, necklaces, etc. She is carrying a flashlight or lantern.

Leader—has a *Glow Journal* with her

Skit opens as Leader is leading the Power Verse John 8:12 for the last time.

Leader: *(leading John 8:12 Power Verse for the final time)*

Gloria: *(loudly interrupting the memory verse)* WOOOOO! That's right! Way to go, girls! We will NEVER walk in darkness! At least not while I'm around! I've got this, girls! WOOOOO!

Leader: Excuse me, miss? Who are you?

Gloria: Well, I am Gloria the Glow Girl, of course! *(With feet wide apart, hands on hips, and chin lifted high, she assumes the stance of a superhero)* I'm at your service, ladies! You will never walk in darkness, not as long as I'm around! WOOOOO!

Leader: Oh, well, nice to meet you, Gloria. I appreciate your enthusiasm. I'm glad you came.

Gloria: Of course! I had to come. I am here to ensure that none of you ever walk in darkness.

Leader: Really? How do you plan to do that?

Gloria: As you can see, I am adorned with several types of glow-in-the-dark jewelry. I also carry my handy-dandy battery-operated light. Should a power outage occur, I am ready to spring into action! I also have my own secret location in this building with stockpiles of candles, flashlights, and . . .

Leader: *(interrupting)* Wait a minute, Gloria! I think you misunderstood! We are not worried about the lights going out from a power outage!

Gloria: *(Confused)* You're not? *(Suddenly, she shines her light in the Leader's face.)* Wait a minute! Are you all darkness-loving villains? This is a trap, isn't it? I should have known! I will not go down without a fight! The light will prevail! WOOOOO!

Leader: Calm down, Gloria. We aren't darkness-loving villains.

Gloria: You're not?

Leader: No, you just heard us practicing our Glow Party Power Verse. We were quoting a verse from the Bible!

Gloria: The Bible tells how to avoid power outages? How did I miss that part?

Leader: I told you, Gloria, we weren't talking about the lights going out. This verse in the Bible is talking about spiritual darkness. When people don't know Jesus as their Lord and Savior, their lives are spiritually dark. They feel sad, alone, and hopeless. Satan wants nothing more than to keep them from knowing and loving God and living the wonderful life God has in store for them.

Gloria: Ah, Satan! There is no greater villain in all the land! Gloria the Glow Girl is here to help! We will defeat the darkness! But how can we free these people from Satan's evil schemes?

Leader: I'm glad you asked! During our Shine Bright Glow Party we will learn to glow beautiful!

Gloria: *(assuming a superhero stance, shouting)* I will glow beautiful!

Leader: We will learn to glow brave!

Gloria: I will glow brave!

Leader: We will glow bold!

Gloria: I will glow bold!

Leader: We will glow bright!

Gloria: I will glow bright!

Leader: That's the plan!

Gloria: WOOOOO! Now, how do we do it?

Leader: We will be traveling to several stations during this event, At each station, we'll learn more about glowing for Jesus. *(Hands Gloria a Glow Journal.)* You can use a *Glow Journal* to record what you learn, and then we'll all meet back here to share what we've experienced.

Gloria: WOOOOO! I am excited! Gloria the Glow Girl is ready to learn! WOOOOO!
(*Gloria exits the room, running.*)

Leader: Wow, she's excited! You know what? So am I! This is going to be a fantastic Shine Bright Glow Party!

Further Instructions

If you plan to divide into smaller groups to rotate through the stations, do so at this time. Give the girls any further instructions about expected behavior, who the leaders are, where restrooms are located, and so forth.
