

# SMALL GROUP GUIDE

## **Sharing Jesus with Others**

I can tell others about  
Jesus' great love for us  
and what He did for me

## Leader Guide

### Engage:

For this activity, you will need colored beads and string in the following colors: green, gray or black, red, yellow, and blue. Give each of the kids a wrapped gift. Inside they will find enough supplies to make two salvation bracelets, one to keep and one to give away. As the kids work on creating their bracelets, explain what each color means. Ask them to talk about what they might say to a friend when they share about Jesus.

**(Green = growing in our faith, Bible reading, prayer, and worship; Gray/black = sin; Red = God's love; Yellow = promise of eternal life; Blue = the Holy Spirit to guide us)**

### Discuss:

**Have the kids open up their Bibles and read together  
Acts 8:26-40**

The eunuch had traveled over 1,000 miles to worship God in Jerusalem. On his way back to Africa, he was reading the Old Testament book of Isaiah, written 800 years earlier. He didn't understand that Isaiah's prophecy was about Jesus dying on the cross so that our sins could be forgiven. When Philip explained about Jesus, the eunuch asked Jesus to forgive his sins.

Discuss the following questions:

- What do you really like about Jesus?
- What questions might your friends have about Jesus?
- How can you explain your bracelet to help your friends know more about Jesus?

### Response:

Give each of the kids a paper heart and a marker. Have them take time to pray and ask God who He may be laying on their heart for them to encourage and share Jesus with. Once God speaks to them, have the kids write down the name of the person that He has put on their hearts. Encourage them to find a place in their room to begin praying for that person that they would come to know God and that God would help them to share Jesus with that person.

### Memorize:

**"For the Son of Man came to seek and save those who are lost." (Luke 19:10, NLT)**

Write each word of the memory verse on pieces of paper and hide them around the room. If you have a larger group of kids, you could write one set of words on colored paper and another set on a different colored paper. Have the kids go on a search and find all the words. Then they should put the memory verse back together again with their team. Review the verse a few different times with the kids.

### Create:

Give each child a piece of lined paper with "I Know Jesus Loves Me Because..." written at the top. Have them write out all of the reasons that they know Jesus loves them. (Examples: the Bible says so, I can feel it, etc.) Younger kids could draw pictures instead of writing words. Explain that the different ways Jesus loves them are things they can share with others. This will help those around them to learn who Jesus is.

What was the Big Idea?  
I can tell \_\_\_\_\_ about Jesus'  
great \_\_\_\_\_ for us and  
what He did for \_\_\_\_\_.

Give your salvation bracelet gift  
to someone whom God has laid on your  
heart this week. How did you feel giving  
that to them and talking with them  
about Jesus?

## Memory Verse:

For the Son of Man came to seek  
and save those who are lost.
