

## 2020-2021 VIRTUAL MPACT CLUBS GUIDELINES

Dear Leaders,

We are excited to provide an alternative option for the girls that you lead to continue with weekly Mpack Club units even if your church is not physically meeting. Starting September 2<sup>nd</sup>, the National Girls Ministries team will be providing weekly, unit-based videos for girls to use as they continue to earn their badges in Daisies, Prims, and Stars. That means 4 videos per month that focuses on one unit.

We will post a new video each week on Wednesday evenings at 5pm central time. There will only be one video per week regardless of the club they are currently in. Our team has coordinated similar units and will create a lesson overview based on the lesson plans in each of the Sponsor's Guides.

There will only be one memory verse highlighted in each monthly series of videos which may not necessarily match the memory verse in their particular unit. The videos will utilize the memory verses highlighted in red in the chart below. During this unique season, the national office will recognize this modification. Additionally, if your girl has already earned the same unit badge, she may earn a second one through this virtual outlet and it will be counted as one of their required units toward honoring.

For example, when an elementary girl watches the 4 monthly videos, completes the activity page **for her specific club** and can recite the highlighted memory verse, she can earn the corresponding badge for age specific club. If she is in Daisies, she can earn the Growing badge, Prims can earn the Health badge, and Stars can earn the Fitness badge. Please note: *Stars who are working towards earning their honor star will need to memorize the verse specific to the Stars lesson.*

The criteria for them to earn their unit badge includes:

- Watch the 4 videos each month that will apply to the corresponding units for each of the three age-based clubs.
- Memorize the highlighted scripture verse for the month.
- Complete the corresponding activity page for each unit available submit it to their local church Sponsor. (This can be done by sending a picture of their completed activity page via text or email.) Activity pages are available here:
  - Daisies: <http://s1.ag.org/daisiesactivitypages>
  - Prims: <http://s1.ag.org/primsactivitypages>
  - Stars: <http://s1.ag.org/starsactivitypages>

We realize that this option may not meet the needs of every girl; however, we want to provide a way for girls to continue to study God's Word, stay on track for honoring, and connect with their leaders. We pray that this virtual option will help your girls still engage in the lessons if your church cannot meet in person. We are excited to provide these resources for you!

Sincerely, NGM Team

## Honor Stars

For girls that are working towards becoming an honor Star will be required to memorize the memory verse that correlates to each of the Stars units in order to pass the Honor Star Review test. This may take some additional work for each girl to memorize the correct memory verse. She will also be required to complete the Honor Star units and correlating steps by the end of her third year of Stars. If you have girls in their third year of Stars and you are not able to meet in person during this time, we would encourage you to find creative ways to help them complete the Honor Star requirements. Please reach out to your District Girls Ministries Director to talk through ideas to help these girls finish strong. You can find your District Girls Ministries Director here:
