saturday

Do you truly love Jesus? He loves you more than anyone has ever loved you. He gave His life for you. The number one response He is asking of you is to love Him in return. Do you love Him?  
**Matthew 22:37**

## Becoming a Godly Girl

Is there anything you love more than Jesus? Clothes? Friends? Pets? Comfort? When you love Jesus wholeheartedly, He will be placed above all other people or things. Think about who or what is important to you.  
**Matthew 22:37**

When you love someone, you take time to talk, to listen, and to simply hang out together. You can do the same with the Lord today. Because of your love for Him, spend some time together!  
**Matthew 22:37**

Most people think of themselves first. It is natural to be that way. But God's ways are always better than our ways. Think of a way to show honor to your pastor or church leader today!  
**Romans 12:10**

It is challenging to honor a teacher when they do things that make you life harder. Most students complain or show disrespect. But you can follow Romans and honor your leader even when it's not easy.  
**Romans 12:10**

Sometimes sisters or brothers can be the last person you are thinking about showing honor to because of the way they act or the way they treat you. But when God says to honor others, He even means family. Write your sibling a happy note!  
**Romans 12:10**

Being devoted to honoring someone means to continue to show honor no matter what you may feel them. All people are made by God no matter the body, skin color, or special needs. Offer a smile to all!  
**Romans 12:10**

## Becoming a Godly Girl

You can show honor to older people by allowing them to go ahead of you in line, sharing about your life, listening to their stories, or praying with them. One day you will be older and desire honor too.  
**Romans 12:10**

When you obey the Lord to honor others, you will feel His peace and joy in your heart. In your own thinking, it may seem that the more you think about yourself, the happier you are but God's ways bring you joy!  
**Romans 12:10**

As you keep honoring people your strength will come from God. Remember that when Jesus died for people, He honored them. He showed everyone the ultimate honor so it can be shared with others. Show your family honor today!  
**Romans 12:10**

Just as you have been honoring others, it is also God's heart that you value yourself. God is proud of you. It doesn't matter if you don't look or act like the world wants. You are YOU! No one can replace you.  
**Ephesians 2:10**

If you value yourself, does this mean you are prideful? No way. Respecting who God made you to be means you are honoring His creation. You can be free to like yourself with no guilt or shame.  
**Ephesians 2:10**

When you value yourself, you will take care of yourself. Decide to be the best you can be! In what ways could you improve how you care for your body? Your mind? Your heart?  
**Ephesians 2:10**

## Becoming a Godly Girl

When you value yourself, it will change how you think. Your thoughts can go through the filter of knowing you are worth more than anyone may ever tell you. Make sure your thoughts about yourself are good!  
**Ephesians 2:10**

Since God made you and you know you are priceless, how can you tell others to value themselves as well? Write a note to share the good news. Tell someone in person or call to let others know they are special.  
**Ephesians 2:10**

When you value yourself, you will value what you do. God created you to carry out His work on earth. Your influence on the world is extremely important. What is something you know He wants you to do today?  
**Ephesians 2:10**

Today isn't an accident. God has plans for you today! There is a saying, "Bloom where you are planted" which means to thrive wherever you are at the time. Take some time to listen to His voice so you will know what to do.  
**Ephesians 2:10**

Some people may say there is nothing is absolutely true. But according to God, there is truth! He is Truth. That means, everything God is and all He says to do will be right. Do you believe He is Truth?  
**John 17:17**

God says, "We are made right by the truth, and the Word (or Bible) is truth." And "In the beginning was the Word, and the Word was with God and the Word was God." God is the Word and the Word is Truth. Study Truth.  
**John 17:17**

## Becoming a Godly Girl

Jesus said, "I am the way, the Truth, and the life. No one comes to the Father except through Me." Knowing there is only one way of Truth brings comfort so you don't have to wonder what or who is true. Rest in His ways.  
**John 17:17**

Sometimes knowing the Truth found in the Bible can be hard to find. Read your Bible Table of Contents (the list in the front) so you can learn all about the layout. Then, learn about what each book is about.  
**John 17:17**

Do you want to always be right? If you want to speak things that will always be right, then speak truths from the Bible. When you memorize verses or learn about God, you can speak truth that will always be right!  
**John 17:17**

One of the first schemes Satan was for Adam and Eve to doubt what God said. You always be confident in what God says. It will be true 100% of the time. When thoughts come in your mind to doubt, stand firm!  
**John 17:17**

When you're confused on what is true, compare your concerns with what God says. If someone says you are "stupid", you can know the truth is God says He gives "wisdom to all who ask" so what they said isn't true.  
**John 17:17**

When the Bible says, "make disciples of all nations" the freedom of Jesus is for all types of people including those that are different looking or follow false religions. Start with a friendship and share!  
**Matthew 29:19**
