

Heather Moore

Heather and her husband, Brandon, were married in November of 2018. Heather graduated in May of 2018 with a degree in Youth Ministries from Evangel University. She grew up in the Assemblies of God and is now a licensed minister in the fellowship. Heather and her husband serve in their local church as members of the worship/tech team and as youth leaders.

Heather has a heart to share the truth of God's love to a generation of girls that are constantly being fed lies from the enemy. Girls Ministries begins teaching girls this truth at a very young age, building a foundation that will strengthen them as they grow into teenagers and young adults. Heather loves that Girls Ministries encourages a biblical literacy that leaves a lasting impact on the rest of a girl's life.

Heather currently serves as the Administrative Coordinator for National Girls Ministries.
